- **Mission**

As a certified Image Consultant I want the members of RBB Club to feel & look fashionable. They should feel fabulous about themselves and enjoy the benefits of a personal stylist. Each member should understand their color palette, own body-type and which style suits him or her best. The members will gain confidence and they will profit on a business level, as well as in their personal environment from the services of **RBB Style Club**. The members will receive quality service and assistance from **RBB Style Club** with their Styling & Image matters, which will be a huge benefit to them.

“Pursuing dreams and ambitions and assisting individuals in becoming life-loving beings. Helping them in seeing themselves through new eyes and assisting them to excel without limitations. Furthermore I provide assistance through consultation and coaching to develop individuals in becoming their personal best”.
